## PERKS

Staff are well looked after in the industry and enjoy perks like no other sector. From complimentary or reduced rates at their employers establishments to staff training, progression opportunities, recognition and rewards, travel and more!

## SKILLS AND PERSONALITY

Calm, patient, people person, innovative, numeracy and literacy skills, creative, good communicator, multitasking and organised. An addition of a language is advantageous.

## ROUTES INTO THE INDUSTRY

Hospitality is a very accessible career. You can have a degree in subjects like Hospitality, Business Studies, Languages, Economics, Travel and Tourism etc. Apprenticeships are also available in the sector. You could also work your way up from entry level roles.

## WHERE YOU COULD WORK

All over the world, hospitality is a global industry and you would be hard pressed to find a country without it. From hotels, restaurants, spas, country clubs to amusement parks, zoos, airlines, railways, casinos, concert and theatre venues to name a few...
